

### **Why go with Lil' Angels?**

- ✓ Our training is second to none
- ✓ We stay with you all the way
- ✓ We want to help your business grow
- ✓ We have two professional photo labs behind us to insure quality
- ✓ Our products are high quality and parents/grandparents love our photos
- ✓ Our franchise fee is reasonable, and our fees fit right into your production.
- ✓ The equipment is everything you need at an affordable price. All brand new and top quality.
- ✓ We offer more than anyone else. We are nationwide and our franchise owners love what they do.

### **Considerations you must remember:**

1. Franchise laws must be adhered to
2. Franchise laws require all franchisors to disclose who we are and what we are about
3. Franchise laws have a waiting time based on the date of signature and date of the FDD disclosure document.
4. From time of contract receipt, there is another wait-period before you can sign a contract with any franchise. Do not forget this.

Because of these wait periods, we urge you to move forward in a steady manner if you are truly interested in Lil' Angels Photography. Work with us, and we will do all we can to make this dream come true for you. Just as you are looking at us, we are considering you.

### **Why purchase a Lil' Angels Franchise?**

- A. We will work with you to make things happen.
- B. We are committed as a company to helping you grow and succeed
- C. We have put in the time, money, and effort to learn this business. We are committed to teaching it right to you.
- D. There is NO ONE in the photography industry who knows this business better than us. We are skilled in digital photography, color quality, promotion and marketing, and customer service.

Don't delay! If you want to pursue a franchise of Lil' Angels Photography, call Mike Sondag today at (662) 890-9103 and get your FDD document so you are fully disclosed about our company.
